Chapter 1

INTRODUCTION

The V.V. John Committee was appointed by Government of Gujarat in April, 1973 to review the state of higher education and establish new universities. Following the recommendations of the committee, the North Gujarat University was established by North Gujarat University Ordinance (Gujarat Ordinance No.5 of 1986, dated 17-05-1986). The Ordinance was later converted into an Act, passed by Gujarat Legislative Assembly on 29-08-1986 as North Gujarat University Act (No. 22 of 1986, dated 10-09-1986). The University was renamed as Hemchandracharya North Gujarat by Gujarat Act No. 2 of 2003 dated 01-03-2003, to honour the Great philosopher, thinker and Jainacharya Hemchandracharya Suri, who made valuable contribution to the studies in grammar, literature, religion and philosophy.

The geographical jurisdiction of the University covers four districts i.e. Patan, Mehsana, Banaskantha and Sabarkantha and caters to peculiar cultural and educational needs of this region.

There are 16 Post Graduate departments, two constituent colleges and 07 centers on campus. Number of affiliated colleges has increased to more than 273 from 41, at the time of incorporation. The University was accredited with "B" (CGPA) grade (2.55) by "NAAC" in 2008. The curricula are well designed and revised regularly to meet with recent developments and professional needs.

The University has a beautiful, well-planned and lovely campus which is spread over 212 acres of land with facilities of Central library, Computer center, Hostels for Men & Women, Well-developed Sport complex, Health center, Canteen, Post office and Bank. The campus life has a blend of rural to urban style, learning with research aptitude and dynamic curricular and Co-curricular activities adding more colours to the student's life.

Emblem of the University

The emblem of the University contains a picture of Saraswati framed in a gavaksha or niche. Saraswati, traditionally representing learning, is depicted after a painting in the old prakrit manuscript of Dash-Vaikalik. The design of gavanksha simple and elegant, is adopted from the excavation of " Rani ki Vav" in Patan.

The emblem thus recall the ancient art and culture of Gujarat at the peak of its glory centuries ago, when patan was a great centre of learning.

The motto invokes divine blessings of sacred knowledge. It also relates to the Saraswati, the holy Vedic kumarika river on the bank of which the university is located and which symbolises an endless flow of ever growing knowledge.

Vision of the University

The vision of the University is

- ❖ To inculcate values of equality, unity and justice
- ❖ To provide leadership in higher education by imparting quality and socially relevant knowledge
