Kalikalsarvgya Hemchandracharya

The University is named Hemchandracharya North Gujarat University to honour the world famous Jain Acharya and Scholar Kalikalsarvgya Hemchandracharya who had been the writer of Siddhahem Shabdanushasan, a treatise on grammar, during the reign of king Jayasinha Sidhharaj in the 12th century. The celebrated Hemchandracharya, a pupil of Devchandrasuri, was one of the most versatile and prolific writers, who worked in the most varied domains, both as a poet and a scholar. It was due to him that Gujarati became a main stronghold of the Svetambara Jains, and that Jain literature flourished so exceedingly in the 12th and the 13th centuries.

Hemchandracharya was not only the author of Jainistic Literature, but in addition, he provided Gujarat with important text-books in secular branches of learning such as grammar, lexicography, poetics and metrics. His great learning and scholarship earned him the title Kalikalsarvgya - "The Omniscient of the Kaliage." Born in Dhandhuka in 1089 A.D. as Changdev, Son of pious Jain Parents, he took his diksha as a Jain Monk from his Guru Devchandrasuri. As a Jain teacher he spent the greater part of his life in Patan, the then Capital of Gujarat.

2. A brief History of the University

The V.V. John Committee was appointed by Government of Gujarat in April, 1973 to review the status of higher education and establish new universities. Following the recommendations of the committee, the North Gujarat University has been established by North Gujarat University Ordinance (Gujarat Ordinance No.5 of 1986, dated 17-05-1986). The Ordinance was later converted into an Act, passed by Gujarat Legislative Assembly on 29-08-1986 as North Gujarat University Act (No. 22 of 1986, dated 10-09-1986). This University has now been renamed as Hemchandracharya North Gujarat University (by Gujarat Act No. 2 of 2003 dated 01-03-2003), to honour the great philosopher, thinker and Jainacharya Hemchandracharya Suri, who made valuable contribution to the studies in grammer, literature, religion and philosophy.

The jurisdiction of the University covers four districts Viz., Patan, Mehsana, Banaskantha and Sabarkantha and caters to cultural and educational needs of this region

There are 17 post graduate departments, two constituent colleges and 07 centers on campus. Number of affiliated colleges has increased to more than 300 from 41 during these years. The University was accredited with B Grade, CGPA of 2.55 by "NAAC" in 2008.

This symbolizes that curricula are well designed and revised regularly to meet with recent developments and professional needs.

The University has beautiful, well planned and lovely campus which is spread over 212 acres of land with facilities of Central library, Computer center, Hostels for Men & Women, Well developed Sport complex, Health center, Canteen, Post office and Bank. The campus life has a blend of rural to urban style, learning with research aptitude and dynamic curricular and co-curricular activities adding more colours to the students' life.

Emblem of the University

The emblem of the University contains a picture of Saraswati framed in a Gavaksha or niche. Devi Saraswati, traditionally representing learning, is depicted after a painting in the old prakrit manuscript of Dash-Vaikalik. The design of Gavaksha, simple and elegant, is adopted from the excavation of "Rani ki Vav" in Patan.

The emblem thus recall the ancient art and culture of Gujarat at the peak of its glory centuries ago, when Patan was a great centre of learning.

The motto invokes divine blessings of sacred knowledge. It also relates to the Saraswati, the holy Vedic Kumarika river on the bank of which the University is located and which symbolises an endless flow of ever growing knowledge.
