MESSAGE FROM THE VICE-CHANCELLOR

The year, 1-04-2020 to 31-03-2021 passed with a number of events and memories. The second dangerous phase of Covid-19 Pandemic was experienced by all of us. The Central government and State government played pivotal role in vaccinating majority of Indians and thereby lives of too many people could be saved.

Hemchandracharya North Gujarat University has not remained behind in social service and has distributed more than 25000 bottles of hand sanitizers and masks free of charge to a number of persons in five districts. National Education Policy 2020 has taken firm footing and some of its aspects have been implemented. All are very enthusiastic in that the best out comes of this policy will certainly rise above the horizon. Tanariri College of performing arts has been started on grant-in-aid basis at Vadnagar.

Honorary D. Litt. degree had been awarded to the first and pioneer Vice Chancellor of our university, Dr. K. P. Yajnik in the August-virtual presence of Hon. Governor, Acharya Devvratji. The Vadali campus of Hemchandracharya North Gujarat University had taken a thunder storm beginning on 13-03-2021 with “Bhumi poojan” at the campus. Within the permissible limits (due to Covid-19 Outbreak) academic and co- curricular activities were carried out with a high success rate. At this stage, I am happy to say that Hemchandracharya North Gujarat University is going to grow by leaps and bounds in the coming era.

February 01, 2022

Vice-Chancellor

Kalikal Sarvagna Hemchandracharya

The University is named Hemchandracharya North Gujarat University to honour the world famous Jain Acharya and Scholar Kalikal Sarvagna Hemchandracharya who had been the writer of Siddhahem Shabdanusashan, a treatise on grammar, during the reign of King Siddhraj Jaysinh in the 12th century. The celebrated Hemchandracharya, a pupil of Devchandrasuri, was one of the most versatile and prolific writers, who worked in the most varied domains, both as a poet and a scholar. It was due to him that Gujarati became a main stronghold of the Svetambara Jains, and that Jain literature flourished so exceedingly in the 12th and the 13th centuries.

Hemchandracharya was not only the author of Jainistic literature, but in addition, he provided Gujarat with important textbooks in secular branches of learning such as grammar, lexicography, poetics and metrics. His great learning and scholarship earned him the title Kalikal Sarvagna - "The Omniscient of the Kaliage." Born in Dhandhuka in 1089 A.D. as Changdev, son of pious Jain parents, he took his diksha as a Jain monk from his Guru Devchandrasuri. As a Jain teacher, he spent the greater part of his life in Patan, the then Capital of Gujarat.

યુનિવર્સિટી ગીત

અમે ઉત્તર ગુજરાવાસી,
અમે જ્ઞાનતેજના પ્યાસી.

સપનાં સરજી સાર્થક કરવા પૃથ્વીપટે અભ્યાસી,
વિરાટ વિશ્વને અંતર ધરવા સતત જ્ઞાન-અભિલાષી.

આનર્તે આ વિદ્યાધામે સરસ્વતી સહવાસી,
પાવનકારી શુચિસ્મિતાના વિદ્યાપીઠ નિવાસી.

અમે પટ્ટનપુરના વિદ્યાપીઠના જ્ઞાનપિપાસુ છૈયા,
રક્ષણ કરતી પાવન કરતી સરસ્વતી તું મૈયા !

જ્ઞાનદીપથી ઉજ્જવલ કરશું લોક-લોકનાં હૈયાં,
હતી સુખત તે થઈ સજીવન, પાર કરો અમ નૈયા.

2. A Brief History of the University

The V.V.John Committee was appointed by Government of Gujarat in April; 1973 to review the status of higher education and establish new universities. Following the recommendations of the committee, the North Gujarat University has been established by North Gujarat University Ordinance (Gujarat Ordinance No.5 of 1986, dated 17-05-1986). The Ordinance was later converted into an Act, passed by Gujarat Legislative Assembly on 29-08-1986 as North Gujarat University Act (No.22 of 1986, dated 10-09-1986). This University has now been renamed as Hemchandracharya North Gujarat University (by Gujarat Act No.2 of 2003 dated 01-03-2003), to honour the great philosopher, thinker and Jain acharya Hemchandracharya Suri, who made valuable contribution to the studies in grammar, literature, religion and philosophy.

The jurisdiction of the University covers five districts Viz., Patan, Mehsana, Banaskantha, Sabarkantha and Aravalli and caters to cultural and educational needs of this region

There are 15 post graduate departments, 02 constituent colleges, and 07 centers on campus. Number of affiliated colleges 383 with 26 new colleges during the year. The University was Re-Accredited with "A" Grade, CGPA of 3.02 by "NAAC" in 2016.

This symbolizes that curriculum are well designed and revised regularly to meet with recent developments and professional needs.

The University has beautiful, well planned and lovely campus spread over 221 acres of land with facilities of Central Library, Computer center, Hostels for Boys & Girls, Well developed Sport complex, Health center, Canteen, Post Office and Bank. The campus life has a blend of rural to urban style, learning with research aptitude and dynamic curricular and co-curricular activities adding more colours to the students' life.

Emblem of the University

The emblem of the University contains a picture of Saraswati framed in a Gavaksha or Niche. Devi Saraswati, traditionally representing learning, is depicted after a painting in the Old Prakrit manuscript of Dash-Vaikalik. The design of Gavaksha, simple and elegant, is adopted from the excavation of "Rani Ki Vav" in Patan.

The emblem thus recalls the ancient art and culture of Gujarat at the peak of its glory centuries ago, when Patan was a great center of learning.

The motto invokes divine blessings of sacred knowledge. It also relates to the Saraswati, the holy Vedic Kumarika River on the bank of which the University is located and which symbolizes an endless flow of ever-growing knowledge.

5.5 National Service Scheme

History and Growth of NSS :

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again, was that they should always keep before them, their social responsibility. The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do "something positive so that the life of the villagers might be raised to a higher material and moral level".

The post-independence era was marked by an urge for introducing social service for students, both as a measure of educational reform and as a means to improve the quality of educated manpower. The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

The idea was again considered by the Central Advisory Board of Education (CABE) at its meeting held in January, 1950. After examining the various aspects of the matter and in the light of experience of other countries in this field, the Board recommended that students should devote some time to manual work on a voluntary basis and that the teachers should also associate with them in such work. In the draft First Five year Plan adopted by the Government of India in 1952, the need for social and labour service for students for one year was further stressed. Consequent upon this, labour and social service camps, campus work projects, village apprenticeship scheme etc. , were put into operation by various educational institutions. In 1958, the then Prime Minister Pandit Jawaharlal Nehru in his letter to the Chief Ministers, mooted the idea of having social service as a prerequisite for graduation. He further directed the Ministry of Education to formulate a suitable scheme for introduction of national service into the academic institutions.

In 1959, a draft outline of the scheme was placed before the Education Minister's Conference. The Conference was unanimous about the urgent need for trying out a workable scheme for national service. In view of the fact that education as it was imparted in schools and colleges, left something to be desired and it was necessary to supplement it with programmes which would arouse interest the social and economic reconstruction of the country. It was viewed that if the objectives of the scheme were to be realized, it was essential to integrate social service with the educational process as early as possible. The Conference suggested the appointment of a committee to work out details of the proposed pilot project. In pursuance of these recommendations, a National Service Committee was appointed under the Chairmanship of Dr. C.D. Deshmukh on August 28, 1959 to make concrete suggestions in this direction. The committee recommended that national service for a period of nine months to a year may be made compulsory for all students completing high school education and intending to enroll themselves in a college or a university. The scheme was to include some military training, social service, manual labour and general education. The recommendations of the Committee could not be accepted because of its financial implications and difficulties in implementation.

In 1960, at the instance of the Government of India, Prof. K.G. Saiyidain studied national service by students implemented in several countries of the world and submitted his report under the title "National Service for the Youth" to the Government with a number of recommendations as to what could be done in India to develop a feasible scheme of social service by students. It was also recommended that social service camps should be open to students as well as non-students within the prescribed age group for better inter-relationship.

The Education Commission headed by Dr. D.S. Kothari (1964-66) recommended that students at all stages of education should be associated with some form of social service. This was taken into account by the State Education Minister during their conference in April 1967 and they recommended that at the university stage, students could be permitted to join the National Cadet Corps (NCC) which was already in existence on a voluntary basis and an alternative to this could be offered to them in the form of a new programme called the National Service Scheme (NSS). Promising sportsmen, however, should be exempted from both and allowed to join another scheme

called the National Sports Organisation (NSO), in view of the need to give priority to the development of sports and athletics.

The Vice Chancellors' Conference in September, 1969 welcomed this recommendation and suggested that a special committee of Vice Chancellors could be set up to examine this question in detail. In the statement of national policy on education of the Government of India, it was laid down that work experience and national service should be an integral part of education. In May, 1969, a conference of the students' representatives of the universities and institutions of higher learning convened by the Ministry of Education and the University Grants Commission also unanimously declared that national service could be a powerful instrument for national integration. It could be used to introduce urban students to rural life. Projects of permanent value could also be undertaken as a symbol of the contribution of the student community to the progress and upliftment of the nation.

The details were soon worked out and the Planning Commission sanctioned an outlay of Rs. 5 crores for National Service Scheme (NSS) during the Fourth Five Year Plan. It was stipulated that the NSS programme should be started as a pilot project in select institutions and universities.

On September 24, 1969, the then Union Education Minister Dr. V.K.R.V. Rao, launched the NSS programme in 37 universities covering all States and simultaneously requested the Chief Ministers of States for their cooperation and help. It was appropriate that the programme was started during the Gandhi Centenary Year as it was Gandhiji who inspired the Indian youth to participate in the movement for Indian independence and the social uplift of the downtrodden masses of our nation.

The cardinal principle of the programme is that it is organised by the students themselves and both students and teachers through their combined participation in social service, get a sense of involvement in the tasks of national development. Besides, the students, particularly, obtain work experience which might help them to find avenues of self-employment or employment in any organisation at the end of their university career. The initial financial arrangements provided for an expenditure of Rs. 120/- per NSS student per annum to be shared by the Central and the State Governments in the ratio of 7:5 i.e. the Central Government spending Rs. 70/- and State Governments Rs. 50/- respectively per NSS student per year. An amount of Rs. 120/- per NSS student per annum on programmes to be shared by the Central and State Governments in the ratio of 7:5 (i.e. Rs. 70/- per student by the central government and Rs. 50/- per student by the State Governments). Keeping the inflation in view, it is now under consideration to revise the amount for Special Camping and Regular Activities.

NSS – BASIC CONCEPTS

The overall aim of National Service Scheme as envisaged earlier, is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The reason for the formulation of this objective is the general realization that the college and +2 level students have a tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are indifferent towards their needs and problems. Therefore it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

Objectives :

The broad objectives of NSS are to:

- (i) Understand the community in which they work
- (ii) Understand themselves in relation to their community;
- (iii) Identify the needs and problems of the community and involve them in problem solving process;
- (iv) Develop among themselves a sense of social and civic responsibility;
- (v) Utilize their knowledge in finding practical solution to individual and community problems;
- (vi) Develop competence required for group living and sharing of responsibilities;
- (vii) Gain skills in mobilizing community participation;
- (viii) Acquire leadership qualities and democratic attitude;
- (ix) Develop capacity to meet emergencies and natural disasters and
- (x) Practice national integration and social harmony.

The Motto :

The motto or watchword of the National Service Scheme is : **'NOT ME BUT YOU'**. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

NSS Symbol :

The symbol of the National Service Scheme, as appearing on the cover page of this Manual is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

NSS Badge :

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme of community service. The Konark wheel in the symbol has eight bars which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours. The red colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS Day :

NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

NSS Song :

CHAPTER 7

INNOVATIVE PRACTICES

7.1 University Industry Linkage Cell

1. Constitution of Industry Linkage cell

As per Paripatra No. 173/2020 & Ordinance O.170 dated 21/09/2020 with no./56/2739/2020, a new industry linkage cell is established.

Objectives of Cell:

The objective of University-Industry Linkage Cell is to facilitate the development of symbiotic relationships between the University and partners from different industrial sectors. Initially, the partnerships will be aimed to support the newly implemented mandatory industry internships for the campus graduate, postgraduate and research programs. The aim of University-Industry Linkage cell is to act as a dynamic liaison unit with industry counterparts in order to identify opportunities to develop innovative solutions for technological and industrial problems.

Functions:

i. Reliable Data:

To establish industry-specific reliable data based on industry's research and recruitment needs.

ii. Linkage Projects:

- To help identify relevant directions for the campus research thrusts and academic programs based on up-to-date feedback from industry partners.
- To maintain congenial relations with industry partners committed to supporting the Campus industrial internship programs in the undergraduate, postgraduate and research levels.
- To identify opportunities for extending relations with industry through various activities, including commissioned research projects and topic-oriented technical seminars.

iii. Student Recruitment/ Placement:

- To provide Industry with potential recruits possessing high-quality skills.
- Career Development Center
- Corporate Advisory Board
- Corporate Relations

iv. Industry-Institute Exchange

- Visiting faculty from industry
- Training programs / Short term assignments to the faculty members in industries
- Joint industrial projects for faculty
- Participation of industrial experts in curriculum design
- Sabbatical level assignments to the faculty members

v. Continuing Education for Industry

- Short-Term Training Programs
- Onsite Educational Programs
- Part time Educational Programs
- Collaborative Educational Programs and other areas of mutual interest.

vi. Industry Prizes:

Raise company's profile in the University and its wider community for a relatively modest sum by sponsoring a student prize. Recognition of excellence in our students is achieved through a number of named prizes and scholarships. Encouraging the companies for sponsoring prizes for the faculty.

vii. Scientific Expertise:

Opportunities exist at Campus for organizations to expand their R&D capabilities through consultancies and contract research. Our academic staff are internationally acclaimed in their respective research fields, and the University is well equipped to handle external projects.

viii. Venues for Congenial Dialogue:

University can provide venues for continual dialogue with various industrial sectors through symposia, exhibitions and roundtable discussions.

ix. Technology transfer:

The HNGU University can assist with and address questions about the technology transfer process.

Since 2020 was Covid-19 pandemic period so functioning of all industries was almost halted so the visit and other offline academic collaborations with industries was not possible.

2. Online Interview

University industry Linkage cell of our university helped Geofresh Organics, Patan to recruit persons and conduct online interviews in month July 2020 in pandemic times. Industry employed 03 students of chemistry department.

3. Virtual Awareness Workshop

On March 23 and 24, 2021 at 11.30 am, two days awareness workshop was inaugurated on the subject of Importance of University Industry Linkages. The workshop was inaugurated in presence of in presence of Prof. J. J. Vora, Honorable Vice Chancellor, Hemchandracharya North Gujarat University, chairperson UILC, Prof. Sangita Sharma, Dr. Nisidh Dhariya, Assoc. Professor, Department of life science and ULIC members. The program was initiated by Saraswati vandana followed by university song.

Prof. Sangita Sharma welcomed the guests and explained the role of UILC in building student manpower for future industries. Aims and objectives of cell and how it is trying to bridge a gap between industry and university was elaborated by the madam.

Prof. Vora, honorable vice chancellor of HNGU, emphasized need of ULIC and spreading its information the students. European companies and university researchers have collaborations since 1800s. In US, UILC has led to industrial revolution. Data says in 2002, industry sponsored research accounted for 8 percentage in US. The interdependent research will help both industry and university to sustain growth. It is need of hour. Many industries donate instruments as gift to universities. And industry can clear cut research in benefit of industry. Research is the area was our university can also work.

Academicians will be compelled to work on the areas were industry wants. So these collaborations are complex in nature.

On March 24, 2021 students were asked to speak, what they expect from UILC. Universities often use UILC collaborations to define their role in economic development. Various earlier models of success during to UILC collaborations were highlighted for developing interest among students.

All spoke on three points directly or indirectly namely 1. universities should nurture their talent pipelines 2. Industry should tap into the issues related to social sciences 3. University tech transfer offices prioritize flexibility. Ten students expressed their ideas about the subject.

130 students joined the program on Google platform. At end of workshop vote of thanks was extended by Mr. Ankit Patel and anchoring was done by Ms. Darshna Patel, student of chemistry department and whole program was coordinated by teaching assistants of chemistry department.

7.2 Cell for Prevention of Sexual Harassment**Formulation of Legal Counselling committee during Lock down**

On March 22, 2020 (from 7 a.m. to 9 p.m.) 14-hour curfew called as Janata Curfew (People's curfew) was declared on advice of honourable PM of India, Shri Narendrabhai Modi. At the end of curfew, while addressing the nation

second time on 24 March, he announced the nationwide lockdown from midnight of that day, for a period of 21 days to break the cycle of transmission and stop the spread of coronavirus through social distancing. During lockdown people were restricted from stepping out of their homes. All transport services of road, air and rail were suspended, with exceptions for transportation of essential goods, fire, police and emergency services. All educational institutions, industrial establishments and hospitality services were also suspended. Some services were allowed such as food shops, banks and ATMs, petrol pumps; The Govt stated that anyone who fails to follow the restrictions can face up to a year in jail.

These lockdowns were and extended and there were four phases of lockdown, phase 1 (25 March -14 April 2020) phase 2 (15 April -3 May 2020) phase 3(4 May -17 May 2020) phase 4 (18 May -31 May 2020)

Negative impacts of COVID-19 on public health and the economy, in fact, generate a multitude of unintended negative consequences for women and girls, and in most instances further exacerbate existing gender inequalities. Women faced higher rates of job losses, Greater burden of domestic and care work, increased risk of pregnancies related death and teen pregnancies, spikes in sexual, physical and domestic violence and exploitation. Sexual and reproductive health needs are often neglected in the midst of an emergency – and COVID-19 has been no different. Lockdowns and physical distancing measures have also contributed to a disturbing spike in reports of domestic violence, including sexual violence. Staying home is not safe for many women and girls who may be trapped with an abuser. Treatment for sexual violence is time-sensitive: rape victims must come within 72 hours. To handle women issues, a legal advisory committee via paripatra no 74/2020/cash and date 14/05/2020 was formed by the advice of our honourable Vice Chancellor, Prof. J. J. Vora to help girls and women of not only from campus but any women who can approach them. Committee has following members: Prof, Sangita Sharma as coordinator, Dr. Smitaben Vyas, Ms. Sandyaben Pradhan, Ms. Jotsnaben, asmembers.

A free counselling has been provided by the committee irrespective time and place to many girls and women. To help in health issues another committee was formulated via paripatra no dt was formed by the advice of our honourable Vice Chancellor, Prof. J. J. Vora. Committee has following members Prof. J. J. Vora, K. K. Patel, Prof, Sangita Sharma, Dr. Committee provided medical help both physical and mental for both male and female students and also faculties during and after lockdown.

One day webinar on Women Safety in Covid-19 Lockdown

Online Webinar was organized by CASH on May 9, 2020 on Women safety in Covid-19 Lockdown using WEBEX platform in presence of Prof. J. J. Vora, Vice chancellor, HNGU, Patan; Prof. (Dr.) Hemixa Roa, Honorable, Ex. Vice chancellor, HNGU, Patan ; Shri Vishal Gadvi, Judge district Court and Secretary DLSA, Patan, Ms. Sandhya Pradhan, Senior Advocate, District Court, Patan and Jotsna Nath, Advocate & counselor, one stop shakhi Centre, Patan. The webinar started with small Prayer and university song was played. A worldly welcome of guests and aims and objectives of one day webinar were elaborated by Prof. (Dr.) Sangita Sharma, Chairperson of CASH, HNGU, Patan. She addressed with a few local examples like how women were busy and over burdened in all respects during lock down, because the whole family was locked in the houses. Situations still became grave in small houses with large number people staying together.

- In webinar Prof. (Dr.) Hemixa Rao, Honorable Ex. Vice chancellor, HNGU, Patan spoke about Women in lock down. She raised in general many issues. As the COVID-19 pandemic deepens economic and social stress coupled with restricted movement and social isolation measures, gender-based violence has increased exponentially. Many women were being forced to 'lockdown' at home with their abusers at the same time that services to support survivors are being disrupted or made inaccessible. All of these impacts are further amplified in contexts of fragility, conflict, and emergencies where social cohesion is already undermined and institutional capacity and services are limited. Data says that from cooking and cleaning, to fetching water and firewood, or taking care of children and the elderly, women carry out three times more unpaid household and care work than men. While more and more people and families were isolated in their homes to stop the spread of COVID-19, care responsibilities were at an all-time high. Whether it is supporting kids through distance-learning or supporting elderly and vulnerable relatives, cooking, cleaning and running our households — it's on all of us, i.e women who has to share the care.
- Shri Vishal Gadvi Judge, district Court and Sectary DLSA, Patan spoke on How to approach court. He said courts were closed and so justice was inaccessible, the populace has become powerless in both the public and private spheres. The National Commission for Women has reported an increase in incidents of domestic violence. Despite abusers and victims being locked down for over 40 days, the institutional response has been

to take away the civil remedy of obtaining 'protection orders' against the abuser under the Protection of Women from Domestic Violence Act, 2005. He gave an example that, a set of law students and lawyers across the country who came forward to help out people in need of legal advice by using technology.

- "Lawyers Go Pro Bono" was an online initiative started by a group of law students that took root during this COVID-19 pandemic lockdown. The website (www.lawyersgoprobono.com) offered answers to any legal queries free of cost for people across the country. This group offered them simple legal solutions for easy understanding as legal terms. Common Questions of people were regarding losing jobs due to lockdown, labour laws and the courts to approach to seek remedy were also raised by users. With the aim to cater to the masses, the website also provides a google form in eight different regional languages.
- Ms. Sandhya Pradhan, Senior Advocate, District Court, Patan spoke on increase in Cyber crimes during lockdown. She said, it better to Educate yourself, social distancing and self-quarantine mean more time for learning. So women most aware themselves about things around them and take some online courses. Women can join virtual tours and see online exhibitions of some of the most famous museums around the world. During the lockdown, cyber criminals adopted new ways. People created fake government websites providing jobs to doctors and nurses for Covid patients.

Then there were people selling sanitizers, PPE kits and food on fake websites. Some hackers also gained access to bank accounts with KYC platforms. Over 1.49 lakh people were cheated using fake websites, said police. 278 profiles containing objectionable content were blocked. This includes Twitter, Facebook, Instagram, TikTok and You Tube accounts.

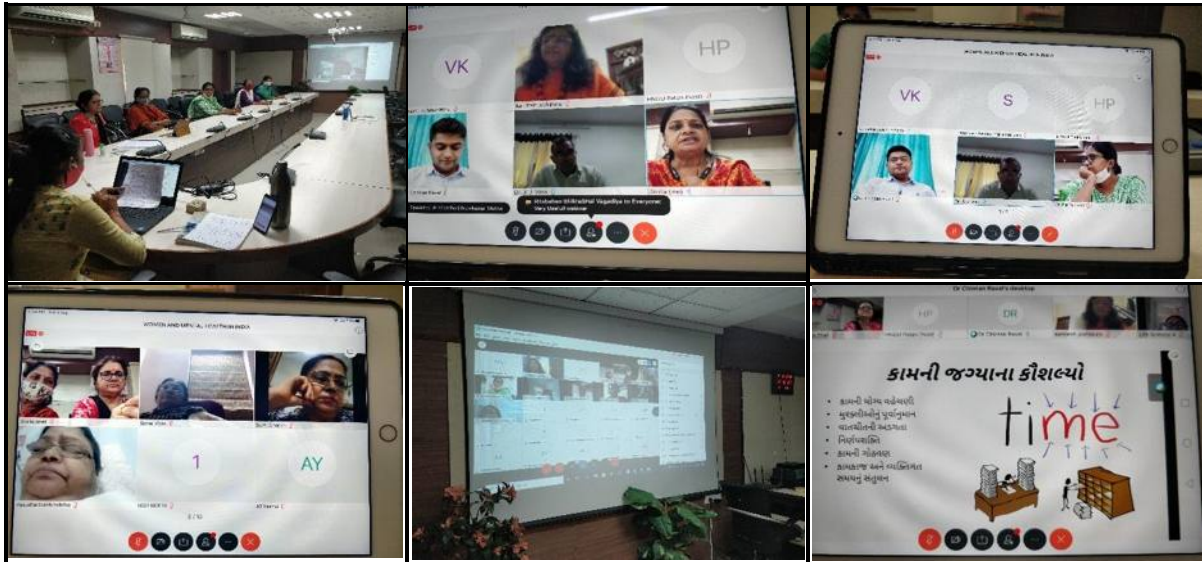

- Jotsna Nath, Advocate & counselor one stop shakhi Centre, Patan. Said that -According to National Commission for Women (NCW) data, 54 cybercrime complaints were received online in April 2020 in comparison to 37 complaints received online and by post in March, and 21 complaints in February. They received a total of 412 genuine complaints of cyber abuse from March 25 till April 25. Out of these, as many as 396 complaints were serious ones from women, (and these) ranged from abuse, indecent exposure, unsolicited obscene pictures, threats, malicious emails claiming their account was hacked, ransom demands, blackmail and more. Cyber criminals have become innovative and craftier in their techniques during pandemic period. Another important point raised by Nath madam was the mental health concern due to high stress during covid pandemic. Women suffered a lot who were alone or were in families. To keep mentally stress free, one has to take some measures like set oneself a reminder to take a break from the news. Find moments of happiness by connecting with friends and family, relaxing and practicing mindfulness. As the COVID19 pandemic is keeping most of us away from our loved ones, it's completely normal to feel anxious, isolated or overwhelmed with work or family responsibilities. There are many ways you can stay connected with your community while you stay physically apart. Supporting those around you and staying close to your community can help you stay strong while helping others.
- Presidential address was given by Honorable, Vice chancellor, HNGU, Patan who explained the role of women, not only making our social system but help in maintaining social distancing and preventing covid -19 distancing.
Vote of thanks was given by Dr. Smita Vyas, Secretary, CASH, HNGU, Patan. The program was anchored by Ms. Darshna Patel, M.sc. student of chemistry department. There were 450 participants who joined the program online.

Celebration of Women's Health Day

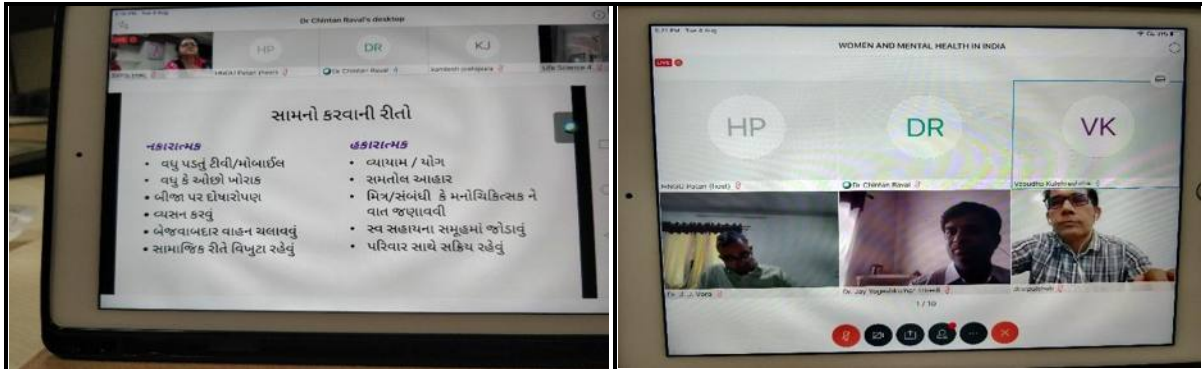

One Day webinar was organised on "Women and mental health in India". was organised in webex platform on August 4, 2020 in presence of Prof. J. J. Vora, Honorable Vice Chancellor, Hemchandracharya North Gujarat University; Dr. Bhavanaben K. Joshipura, Senior Advocate, First Lady Mayor and Social Activist, Rajkot; Dr. Chintan Raval, Head, Associate Professor, Psychiatry Department, GMERS Medical College, Patan; Dr. Vipul Shah, Assistant Professor, Psychiatry Department, GMERS Medical College, Patan and Dr. Vasudha Kulsheshta,

Dedicated Bharmakumari, Composer Bharmakumariz, Abu Road and Prof. Sangita Sharma, CASH chairperson, HNGU, Patan.

Program started with Prayer of Ma Sarswati, followed by University song.

Prof. Sangita Sharma, CASH chairperson, welcomed all the guests by words and explained why it is important to discuss about the mental health of women that too in this pandemic period and Lock period. As she involved in all type of jobs, stresses and crunches because whole nation was suffering and moreover every household was having one or other type of difficulties. She is emphasised the utmost importance of wellness of women because the whole family set up revolves around her. Women should always take brake and try to keep herself mentally and physically well.

- Technical Session- I was by Dr. Bhavanaben K. Joshipura, Senior Advocate, First Lady Mayor and Social Activist, Rajkot Technical who spoke many cases were people tried to prove that women was mentally ill to get divorce. It is natural if a person remains in tension and stress for years, her behaviour may become abnormal. So women should be strong enough to understand that they are betrayed by their own people and take care of themselves. No one should be our Sutradhar except God.
- Technical Session- II by Dr. Chintan Raval, Head, Associate Professor, Psychiatry Department, GMERS Medical College, Patan. Dr. shared a power point presentation to explain causes of mental illness and specifying which are common among women. Which food are necessary to keep balance of chemicals in body. He also talked about mood swings in women during premenopausal and post menopausal situations. Always under stress may lead to mental illness. Proper diagnosis and counselling is required in primary stage of mental illness.
- Technical Session- III by Dr. Vipul Shah, Assistant Professor, Psychiatry Department, GMERS Medical College, Patan. Dr Vipul is mental health practioner for last 20 years. He shared his experience and gave list of medical molecules that can be used to treat severe and chronic mental illness. To treat mentally sick person,

family moral support is utmost and when there is question of treating women, she is being hurt by his family persons, so treatment become difficult.

- Technical Session- IV was by Dr. Vasudha Kulsheshta, Dedicated Bharmakumari, Composer Bharmakumariz, Abu Road. She stressed the role of religion, meditation, yoga and role vedic practices to keep mind and brain calm. One should spend some time with oneself. Life is precious and one should love oneself. It is in our hands to set our priorities to keep ourselves happy and try to keep mind free of unnecessary thoughts. She advised women to spend some time for meditation and yogic activities. Taking care of whole family is important but taking care of oneself is also important.
- Presidential Address by Prof. J. J. Vora, Honorable Vice Chancellor, Hemchandracharya North Gujarat University, Patan, said that mental wellness is related to physical, mental and social set in which all our people are living. Since women are deprived of many rights till date, so chances of poor mental are more among women. So it is duty of society and all of us to care of all our sisters and daughters.
In this program, there were 380 participants. Amongst participants, there were graduate, postgraduate students, Ph. D students, teaching, non teaching faculty from and many citizens of Gujarat.
Vote of thanks was extended by Dr. SmitaVyas, The program was anchored by Dr. Parul Trevidi.

Gender sensitisation and awareness program for women

After partial opening after lock down, a one-day webinar on Gender Bias, Stereotype and Women Rights as a Part of Celebrations of Women Empowerment Fortnight was celebrated online on August 14, 2020 using WEBEX platform.

After small prayer online the program started with welcome speech by Prof. Sangita Sharma. She emphasized on need and selection of title of the webinar in present context. There were 350 participants and speakers.

- Prof. Ami. U. Upadhyay, vice chancellor, Babasaheb Ambedkar open university was chief guest of webinar and keynote speaker. According to her, A gender stereotype is a generalized view or preconception about attributes or characteristics, or the roles that are or ought to be possessed by, or performed by, women and men. A gender stereotype is harmful when it limits women's and men's capacity to develop their personal abilities, pursue their professional careers and/or make choices about their lives. Gender stereotyping is wrongful when it results in a violation of human rights and fundamental freedoms.

Wrongful gender stereotyping is a frequent cause of discrimination against women. It is a contributing factor in violations of a vast array of rights such as the right to health, adequate standard of living, education, marriage and family relations, work, freedom of expression, freedom of movement, political participation and representation, effective remedy, and freedom.

Role of teachers is essential to address issues like gender education to stop gender bias. Unconscious gender bias is also deep rooted in Indian culture, which is defined as unintentional and automatic mental associations based on gender, stemming from traditions, norms, values, culture and/or experience. Organizations also have to proactive so that steps can be taken to counteract gender biases and other types of biases. And presence of unconscious gender bias in an individual does not automatically translate into biases in the workplace.

- Dr. Bhavanaben K. Joshipura, Senior Advocate, First Lady Mayor and Social Activist, Rajkot was second speaker for technical session 2. Lawyer Bhavnaben quoted *Economist survey* regarding gender bias. Only 12.7 percent of working engineers in India are women. The recent employment rate of women in India has fallen to 26 percent. The societal expectations for women across all socio economic levels keep many women out of the workforce, including women engineers. Nationally, the unemployment rate for women engineers in India is about 40 percent. Few women engineers in the private sector are promoted into higher ranks. Few women receive awards or are elected to the National Academy of Sciences. It is this unequal treatment of women engineers in the workplace that we sought to better understand through our gender bias research. By highlighting the existence and impact of bias in the workplace, Over 75 percent of women engineers also reported bias in promotion, sponsorship and mentoring programs, and compensation decisions, while 67 percent of engineers reported bias in performance evaluations. So gender bias needs to be addressed if India has to shine and global power.

- Dr. Leena Govind Gahane, Deputy Adviser NAAC, Bengaluru was third speaker. She narrated a number of stories from olden times how women have been fighting for their survival against gender bias. Gender discrimination must be checked at every stage so that no person should be denied a chance to learn and grow. Thus, everyone, no matter male or female, must get a start in life in terms of educations and other opportunities. We must come together as a society to do this. Most common gender biases are 1. Unequal pay 2. Sexual harassment 3. Racism 4. Women are promoted less often than men 5. Fear of asking to be paid what you're worth. India ranks 141st out of 142 nations and 2062 districts in the world that are categorized as gender critical when it comes to health and survival of women as compared to men. As a whole the country ranks 127th on gender inequality index and 114th on gender gap in the world (Global gender gap report, 2015). She advised all participants to identify such issues and redress them at earliest.
- Presidential Address by given Prof. J. J. Vora, Honorable Vice Chancellor, Hemchandracharya North Gujarat University, Patan. After showering blessings to participants, he said that in campus most of the departments have more female students than male. The educated people should develop a national consciousness of the positive impact of gender equality. There is a need for changes in perception towards women. The human society would be most advantaged only if women are treated equally and are not deprived of their rights. University will be always ready to address any issue if brought into notice of authorities.
Vote of thanks was extended by Dr. Smita Vyas. The program was anchored by Ms. Darshna Patel, M. sc. Student chemistry department.

One day State level Program

One day State level Program on Women at the forefront of fight against Covid-19 & celebration of International women's day was organized on 8th March 2021 in Rangbhavan of HNGU, Patan. Inaugural function was graced by Honorable V. C, Prof. J. J. Vora and Judge, secretary DLSA, Mr. M. R. Thakkar, corona warriors Dr. J. J. Thakkar and Dr. Nidhi Chaiya, who were proactive in pandemic times and Prof. (Dr.) Sangita Sharma, Chairperson CASH, HNGU, Patan.

In the inaugural function after completion of all formalities like Prayer, Lightening of lamp, floral welcome, a worldly welcome of guests and aims and objectives of one day seminar were elaborated by Prof. (Dr.) Sangita Sharma, Chairperson of CASH.

Dr. J. J. Vora, Honorable VC HNGU was present as President and as head of our institution. He explained how university has taken several initiatives in campus to make make campus safe from corona by preparing and distributing sanitizers to common people. To prevent the loss in their studies many courses were started online. No one was spared by corona pandemic effect. Some had direct effects and some had indirect effects.

- Dr. J. J. Thakkar, assistant Professor in medicine, Dharpur medical college shared many experiences how the corona has spread immediately among the doctors. He himself got infection of corona and has to help the people to fight out the disease. PPE kit wearing and working was by a big challenge itself because we have never been in the position earlier. Be positive was always told to patients when they get recovered from deadly diseases. Now this metaphor has changed.
- Dr. Nidhi Chhaya, junior Resident doctor, a dynamic cheerful young lady doctor from medicine department of Dharpur hospital sang a wonderful song to show her strength to fight against the corona. She was also injected by the virus but was happy to share the experiences. She said that corona has changed from my life style to mindset. Her personal life has also changed. She used to read, travel, work, sing, cook etc. etc. but at pandemic times converged to one thing "let us survive first".

- To motivate students, Shri Axay Makwana, IPS, SP patan was chief speaker in afternoon session. He spoke on personality developed and emphasized that male members of the society need more personality development coaching than females. In Indian culture women are always trained to be polite, well behaved, tolerant etc etc because she has to look after the families and she is 'GENANI'. He appealed to boys to be more responsible because world is looking towards India for many reasons. Students were quite enthusiastic to meet him and many photos and selfies were clicked with him. SP of patan was quite and kind personality and interacted with students freely.

Two competitions were organized to cheer up students because it was first activity conducted by CASH offline after first wave of covid-19.

7.3 Environmental Cell

The Environment Cell of HNG University is actively working with the goal of maintaining clean and safe environment in the campus through various activities and sensitizing university staff, students and other stakeholders for environment conservation and protection of flora and fauna within the campus. The main objectives of the cell are follows.

OBJECTIVES:

- To create safe and healthy environment
- To maintain the ambience and quality of environment
- To sensitize university students and staff about environment, health and safety
- Energy conservation and carbon offset management
- To create a habitable environment for all the stakeholders

During the report year (2020-21) we have organized the bird rescue during the kite flying days (January 13-16) under which our volunteers were worked to save the injured birds due to kites. As a routine activity, organized bird survey, off campus plantation and safety audits in the university departments.

In the coming year, we would like to organize campus bird survey, biodiversity survey and make a clean your work place drive. We are also seeking opportunity for green audit and carbon audit of the university campus and continue the safety audit of the various departments.

⇒ Gujarat is forever committed to honour musicians and artists who have influenced the world through the power of their creativity and that is why during the Golden Jubilee Celebrations, Hon. Shri Narendra Modiji had initiated the Pandit OmkarnathThakur Samman and the Tanariri Award.

Tana Riri Music Festival was started in 2003 by the Chief Minister of Gujarat Shri Narendra Modi at Vadnagar. The Tanariri festival is held in honour of the twin sisters from Vadnagar, Tana and Riri. It is said that when legendary musician Tansen felt the burns in his body due to extensive singing of Raga Deepak (The Raga dedicated to Agni, the Lord of Fire), Tana and Riri sang Raga Malhar (A Raga dedicated to Megh, a cloud that brings rain) and their song pacified the fire in Tansen.

During the year 2019, during the Tana Riri Music Festival, Chief Munister of Gujarat Shri Vijaybhai Rupani had inaugurated TANA RIRI Performing Arts College at Vadnagar.
